

6th Triennial Special Issue of the IEEE Transactions on Plasma Science

IMAGES IN PLASMA SCIENCE (August 2011)

SUBMISSION INSTRUCTIONS

A completed submission package will contain the following documents. Due to the enthusiastic response to the Special Issue and large number of submissions, we must require that this procedure be precisely followed. Submissions that do not follow this procedures will not be accepted.

1. Cover letter with contact information (address, phone, FAX, e-mail). Include names and e-mail addresses for 6 potential referees of your paper. Submit electronically as a PDF file. Name the file "XXX_cover.pdf" (where XXX is the last name of the corresponding author.)
2. Manuscript prepared using IEEE guidelines (double spaced, 1 side-per-page, separate page for each figure, abstract, references in IEEE format). When printed in the journal, the paper must be no longer than 2 journal pages. Name the file "XXX_man.doc"
 - a. IEEE guidelines are at: <https://mc.manuscriptcentral.com/tps-ieee> (Instructions and Forms.
3. Layout of article conforming to 2 journal pages using templates we provide (or equivalent formatting). Submit as a PDF file. Name the file "XXX_layout.pdf". Templates for 2 page layout of article can be downloaded from
 - Layout of article with image on first page (MS-Word, PDF):
http://uigelz.eecs.umich.edu/pub/images/template_p1.doc
http://uigelz.eecs.umich.edu/pub/images/template_p1.pdf
 - Layout of article with image on second page (MS-Word, PDF):
http://uigelz.eecs.umich.edu/pub/images/template_p2.doc
http://uigelz.eecs.umich.edu/pub/images/template_p2.pdf
4. Electronic figure files. The only acceptable formats are EPS, TIF and PS. (According to IEEE, color figures MUST be in TIFF format with recommended resolution of 600 dpi.) Place each figure in a separate file. Name your files "XXX_fig_nn.tif" (or .eps or .ps where nn is the figure number). See "IEEE Electronic Text and Figure Guidelines" for information on preparing electronic versions of figures.

Submissions MUST be submitted through the IEEE Manuscript Central website. Please follow the following procedures:

1. Log into the IEEE Manuscript Central website at:
<https://mc.manuscriptcentral.com/tps-ieee>
Create an account if you do not have one.
2. Choose: "Author Center"
3. Choose: "Click here to submit new manuscript"
4. Manuscript Type: Choose "Special Issue – Images in Plasma Science 2011"
5. Title: (Enter the title of your paper)
6. Abstract: (Enter abstract of your paper)
7. Choose: "Save and Continue"
8. Key Words: (Enter at least 1 key words by highlighting an entry on the list and

- clicking “Add”)
9. Specialty/Area of Expertise (Leave blank if there is no entry. Otherwise confirm entry.)
10. Choose: “Save and Continue”
11. CoAuthors (Enter co-Authors)
12. Choose: “Save and Continue”
13. Reviewers: (Enter a minimum of SIX potential reviewers)
14. Add an Editor: Choose: “Guest Editor, Images” → “Designate as Preferred Editor”
15. Choose: “Save and Continue”
16. Cover Letter: (Upload Cover Letter)
17. Color Illustrations: (Enter yes or no)
18. Choose: “Save and Continue”
19. File Uploads (Note: Replace “XXX” with last name of corresponding author)
 - a. Layout using template (XXX_layout.pdf) → Choose “Supporting Document
(See links for templates in Item 3 above.)
 - b. Manuscript in IEEE Format (XXX_man.doc) → Choose “Main Body”
 - c. Figure 1 (e.g., XXX_fig_01.tif) → Choose “High Res Image”
 - d. (Add additional figures as needed)
 - e. Choose “Upload Files”
20. A screen may appear for each of your files. For the figure screens, enter, for example, “Figure 1” for the “Caption / Legend”. Leave the “File Tags” blank.
21. Confirm the following order:
 1. Layout File
 2. Manuscript
 3. Figure 1
 4. (Additional figures)
22. Choose: “PDF” to confirm files have been received and are in the proper order.
23. Choose: “Save and Continue”
24. Confirm all of your entries
25. Choose “Submit”
26. You will be taken to the “Copyright Form Wizard” – please complete the form.
